

This documentation states the requirements and expectations brought by the House of Reps DJ Community.

By accepting this charter you must agree to the following:

Requirements:

- **All DJ's must have working experience.**
- Your talent is measured by your professionalism and experience. The passion for your brand must apply with consistent content creation.
- **All DJ's must have control over their personal brand.**
- **All DJ's must agree to our content release.**

Although most of you are not bloggers or promoters it is important to maintain your individual content to be digital for all viewers. When you submit your content it will be forwarded directly to the live feed of The House of Reps. The more content you create the more exposure you will gain. But always remember, quality over quantity.

- **All DJ's must agree to our Share Factor.**
-Greed is a common value in this trade. We in the House created our unity as a hub to share, connect, network and give advice. To use the tools to exchange music and playlists so as a brotherhood we can grow. Although there is no set requirement we all must share our personal knowledge with one another.
- **All DJ's must agree to our Code of Conduct.**
-Each member must represent all values through self actions and professional relationships. Self Representation must be held and followed by The House Code of Conduct.

INTEGRITY: *The quality of being honest and have strong moral principles; moral uprightness.*

– Your personal integrity plays a major role in how people will respond to you. Like any other brotherhood unattractive behavior will not be tolerated.

TRADITION: *The handing down of statements, beliefs, legends, customs and information from generations to generations especially by word of mouth or by practice.*

- Like all art forms, tradition is a very big part of our brand. Having expert knowledge of the art of your crafts traditions is a major key is what makes all Senate DJ members out-shine the others. All members must have knowledge of the DJ evolution.

RESPECT: *Esteem for a sense of the worth or excellence of a person, a personal quality or ability; something considered as a manifestation of a personal quality or ability.*

– Each member must respect the bond between this unity and his talent as an artist. By agreeing to this induction means you have publicly taken the high road to public remarks and rants and conducting yourself in an unprofessional manner. How you treat others reflects yourself and a high level of respect must be given to each member and all outside personal relationships.

KNOWLEDGE: *Facts, information or skills acquired by a person through experience or education; the theoretical or practical understanding of a subject.*

– Knowledge is a reflection of your practice and experience in your market. Talent is low and exposure is at an all time high. It is important that our DJ's obtain all possible information at every aspect of their DJ career including equipment and each various scene. Keep yourself educated.

SKILL: *A craft, trade or job requiring manual dexterity or special training in which a person has competence or experience.*

– We expect all applicants to have skill and knowledge of their gear and music selections as well. This is a brotherhood that will test you as an artist.
